

Fabricator – 15 Year Limited Labor Warranty

Granite existed for thousands of years, but only in the past few decades has it been a viable alternative for kitchen countertops. We offer beautiful granite countertops that carry a 15 year limited warranty.

Warranty Guidelines

Your granite countertop is backed by a 15 year fabricator limited warranty. If there is something not done correctly when the countertop was manufactured or installed and that manufacturing/installation deficiency caused you a problem with your countertop, the fabricator will correct the problem and stand behind the product. Read the details of the warranty below.

Transferability

To help add even more value to your home and beautiful new countertops, the 15 year limited warranty is fully transferable to subsequent owners of your home.

Care & Maintenance

For the warranty to be valid, the countertops must be cared for in accordance with the guidelines provided on the Care & Maintenance section of your paperwork. See our website for these details.

Warranty Terms

The fabricator warrants to the owner of the countertop that that the fabricator at its option will repair or replace, without any charge, the countertop piece if it fails due to any manufacturing defect during the first 15 years after initial installation, except for damage caused by chemical or physical use or abuse. The warranty does not cover countertops that have been moved from their original installed location, and it does not cover the natural characteristics of stone, which include, but are not limited to, color variations, water lines, or surface marks. This warranty also does not cover damage caused by items out of our control, such as house settlement, fires, tornados, or other acts of nature.

The fabricator's obligation is limited solely to the repair or replacement, including required labor charges of the fabricator countertop piece in question.

No implied or expressed warranty of merchantability or fitness for any particular purpose is covered by the fabricator's warranty except as expressly stated herein. The fabricator shall not be liable for any loss or direct, incidental, or consequential damages arising out of the use or inability to use the fabricators countertop.
